Dear Friend of InterfaithImpact of New York State,

Interfaith IMPACT of NYS (IINYS), Rochester Chapter is pleased to invite you to attend our Annual Legislative Briefing on **Sunday, March 11, 2018 at 2:00 p.m.** at the **First Unitarian Church, 220 S. Winton Road.** Our program title is: **“A Better Prescription for Health Care in New York State.”** The speakers are **Harry Bronson**, NYS Assemblyman; **Carol Tegas**, Executive Director Finger Lakes Performing Provider System (FLPPS) and **Rohith Palli**, Rochester Campaign for New York Health.

The health care issue is ever changing, and may be different in March than it is today. The current situation in New York State; status of health care in the legislature; and the case for single payer, universal health care will be discussed by the panelists. There will a Q & A after the formal presentations and a reception will follow immediately after closing remarks.

Please publicize this event in your congregation or organization, and encourage all to attend this free and extremely important program. Please post the enclosed flier in a prominent place.

IINYS is the progressive religious community's voice for justice and human rights in New York State. We advocate for state policies that will improve the lives of all New Yorkers while stressing the moral and ethical values of these policies.
